Primary Care and Rural Health Unit,
Section of Community Health & EMS, Division of Public Health,
Department Health and Social Services.
410 Willoughby Ave, Suite 109,
Juneau, Ak 99801

A Prepared Public Health Workforce Begins with TRAIN

A Free Resource for all states and communities...

Additionally, TRAIN affiliate states can ...

- Track participation in competency-based training
- Generate reports about public health workforce preparedness
- Save dollars and avoid duplication
- Share resources with other TRAIN states
- Identify gaps in training
- Establish a training portfolio without developing new training
- Send rapid announcements to all registered learners in your jurisdiction

TRAIN Benefits the Field of Public Health

- Centralizes national course listings
- Links many states training information, reducing duplication
- Built on TrainingFinder, a familiar resource used by over 200,000 professionals
- Quickly find training in 42 subject areas
- Register for online and classroom courses
- Profiles training available nationally
- Build skills and competencies
- Maintains personal transcripts to track learning
- See course reviews
